JOURNEY TO A FUTURE CITY

Cities caring for Environment and Disaster Risk Reduction

Iain Langlands FRICS
GIS Manager, Glasgow City Council
Future city will empower Glasgow

Quality of life, economy, environment.

System integration.

Innovative use of technology.
It’s all about the People

It’s all about the Data

Data = Knowledge.  It’s your data.  Improve our city.
4 Themes

Operations Centre
The brains of the city

Games route network.
Events response planning.
Service integration.
Flood defences
Future proof the city

£50 million investment.
Reduced insurance costs.
Monitoring & evaluating risk.
OPEN Glasgow

Energy Efficiency

Street Lighting

Social Transport

Active Travel
