

PROGRAMME STRUCTURE

Monday, 23 May 2016

| Time | Rotterdam Hall | Van Oldebarneveld |
|-----------|--|--|
| 0930-1200 | Opening Plenary: Geospatial Platform Empowering Workflows and System Integration | |
| 1200-1330 | Exhibition Opening followed by Networking Lunch | |
| 1330-1530 | Plenary 2: Disruptive Business Models of Geospatial Content | Workshop Towards a Sustainable Operational System for Land Cover Classifications <i>(Only by Invitation)</i> |
| 1530-1600 | Networking tea/coffee break | |
| 1600-1730 | Plenary 3: Business Opportunities of Location Intelligence | Workshop Towards a Sustainable Operational System for Land Cover Classifications <i>(Only by Invitation)</i> |
| 1730-1900 | Evening Networking Reception at Exhibition | |

Tuesday, 24 May 2016

| Time | Oscar Auditorium (Basement Floor) | Van Oldebarneveld | Diamond 1 | Leeuwen | Penn 1 | Penn 2 | Goudriaan 1 | Goudriaan 2 | Van der Veeken | Exhibition P.A. 1 | Exhibition P.A. 2 | Llyods Lobby | |
|-----------|--|--|------------------|--------------------------|---------------------------|--|-----------------------------------|---|---------------------------------------|---|--|---|--|
| 0900-1100 | European Geospatial Business Summit (Separate registration) | Workshop Towards a Sustainable Operational System for Land Cover Classifications <i>(Only by Invitation)</i> | | Geo-Powered Smart Cities | UAV | Business Analytics & Location Intelligence | Geo-Enabled Water Industry | System Integration | | Workshop High-performance Spatial Data Processing on Big Data Platforms | Workshop Introduction to Hexagon Smart M.Apps | OSGEO 10 th Year Anniversary | |
| 1100-1200 | Networking tea/coffee break and visit to exhibition | | | | | | | | | | | | |
| 1200-1300 | Networking Lunch | | | | | | | | | | | | |
| 1300-1500 | European Geospatial Business Summit (Separate registration) | Workshop Towards a Sustainable Operational System for Land Cover Classifications <i>(Only by Invitation)</i> | CAPIGI & GeoAgri | Geo-Powered Smart Cities | UAV | Business Analytics & Location Intelligence | Workshop UNGGIM: Europe | Workshop Geospatial Policies & Legal Issues | | Workshop Benefits and key-features of the European GNSS | Workshop What's Hot and What's Not in the Geospatial MarketSpace of the USA - how to make money there? | | |
| 1500-1600 | Networking tea/coffee break and visit to exhibition | | | | | | | | | | | | |
| 1600-1730 | European Geospatial Business Summit (Separate registration) | Workshop Towards a Sustainable Operational System for Land Cover Classifications <i>(Only by Invitation)</i> | CAPIGI & GeoAgri | Geo-Powered Smart Cities | Web GIS & Data Management | Business Analytics & Location Intelligence | Workshop UNGGIM: Europe | Workshop Geospatial Policies & Legal Issues | India Business Summit (1600-1800 hrs) | Workshop Benefits and key-features of the European GNSS | | | |

Wednesday, 25 May 2016

| Time | Oscar Auditorium (Basement Floor) | Van Oldebarneveld | Diamond 1 | Leeuwen | Penn 1 | Penn 2 | Mees Auditorium | Goudriaan 1 | Exhibition P.A. 1 | Exhibition P.A. 2 | Van der Veeken | Van Walsum |
|-----------|--|---|------------------|--------------------------|---------|---|------------------------------|---|---------------------------|--|--|--|
| 0900-1100 | European Geospatial Business Summit (Separate registration) | Impact of Geospatial Information on Society and Economy | CAPIGI & GeoAgri | Geo-Powered Smart Cities | Sensors | Public Safety & Emergency Response | Environment & Climate Change | Open Data | Young Professionals Forum | Workshop An innovative step for information in Romania | Workshop Building dynamic, data driven maps with CartoDB | |
| 1100-1200 | Networking tea/coffee break and visit to exhibition | | | | | | | | | | | |
| 1200-1300 | Networking lunch | | | | | | | | | | | |
| 1300-1500 | European Geospatial Business Summit (Separate registration) | Impact of Geospatial Information on Society and Economy | CAPIGI & GeoAgri | Geo-Powered Smart Cities | Sensors | Public Safety & Emergency Response | Environment & Climate Change | Workshop Technical Challenges in Implementation of Selected Policies Seen from a GeolCT Perspective | Young Professionals Forum | Spatial Analytics: Cloud, Big Data & Machine Learning | Workshop Defining the data quality for our processes in a structured way | Workshop Geospatial Infrastructure & Standards for Autonomous Vehicles (By invitation only) |
| 1500-1600 | Networking tea/coffee break and visit to exhibition | | | | | | | | | | | |
| 1600-1730 | European Geospatial Business Summit (Separate registration) | Impact of Geospatial Information on Society and Economy | CAPIGI & GeoAgri | 3D & Augmented Reality | Sensors | Workshop New Innovations at the Dutch Geo Portal PDOK | Environment & Climate Change | Workshop Societal Challenges in Implementation of Selected Policies Seen from a GeolCT Perspective | Young Professionals Forum | Spatial Analytics: Cloud, Big Data & Machine Learning | Workshop Assure the Quality of Spatial Web Services | Workshop Geospatial Infrastructure & Standards for Autonomous Vehicles (By invitation only) |
| 1900-- | Gala Dinner & Awards Night | | | | | | | | | | | |

Thursday, 26 May 2016

| Time | Van Oldebarneveld | Diamond 1 | Penn 1 | Penn 2 |
|-----------|---|------------------|--|--|
| 0900-1100 | Impact of Geospatial Information on Society and Economy | CAPIGI & GeoAgri | Workshop Building unified architecture for accessing geospatial data in Europe: ENERGIC-OD | Workshop Exploiting the value in EO data |
| 1100-1130 | Networking tea/coffee break | | | |
| 1130-1300 | Impact of Geospatial Information on Society and Economy | CAPIGI & GeoAgri | Workshop CityGML in practice - Using 3DCityDB on Oracle for City Modelling | Workshop Exploiting the value in EO data |
| 1300-1400 | Networking lunch | | | |
| 1400-1530 | Impact of Geospatial Information on Society and Economy | | | |
