

## **LOCATION INTELLIGENCE + FINTECH RESHAPING BFSI**

Startup Speaks: Sustainable Finance - The Power of  
Radical Transparency

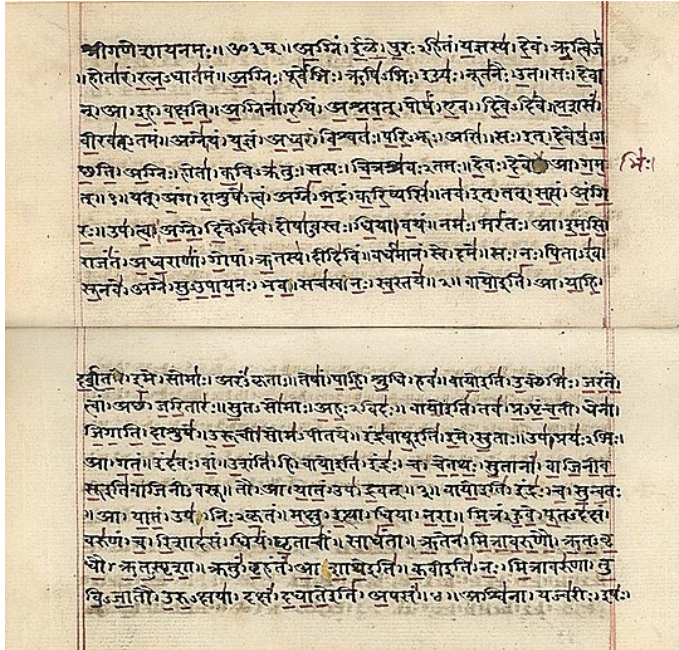

4 May 2023

# What is 7 Satya?

7 Satya are on a mission to make sustainability real through the power of radical transparency. Our innovative global location-based intelligence products, that harness the power of Environmental and Social Impact, help firms analyse and assess risks, comply with growing ESG self-disclosure regulations and develop and monitor sustainable growth strategies.

7 Satya is a forum member of the Taskforce on Nature-related Financial Disclosures (TNFD)

# What does Satya mean?

We don't provide judgment...  
simple & confidential raw truth

- n. true, reality, actual, genuine, sincere, honest, truthful, undistorted, successful, effectual, valid (satyam-kr., "to make true, ratify, realise, fulfil")

Fast, efficient and scalable global screening products for regional comparison.

# Rapid location-based screening and diagnostics at scale

Diagnostic tool for unlocking regional data for quick global comparison and risk assessment

Compare as many locations as you want:

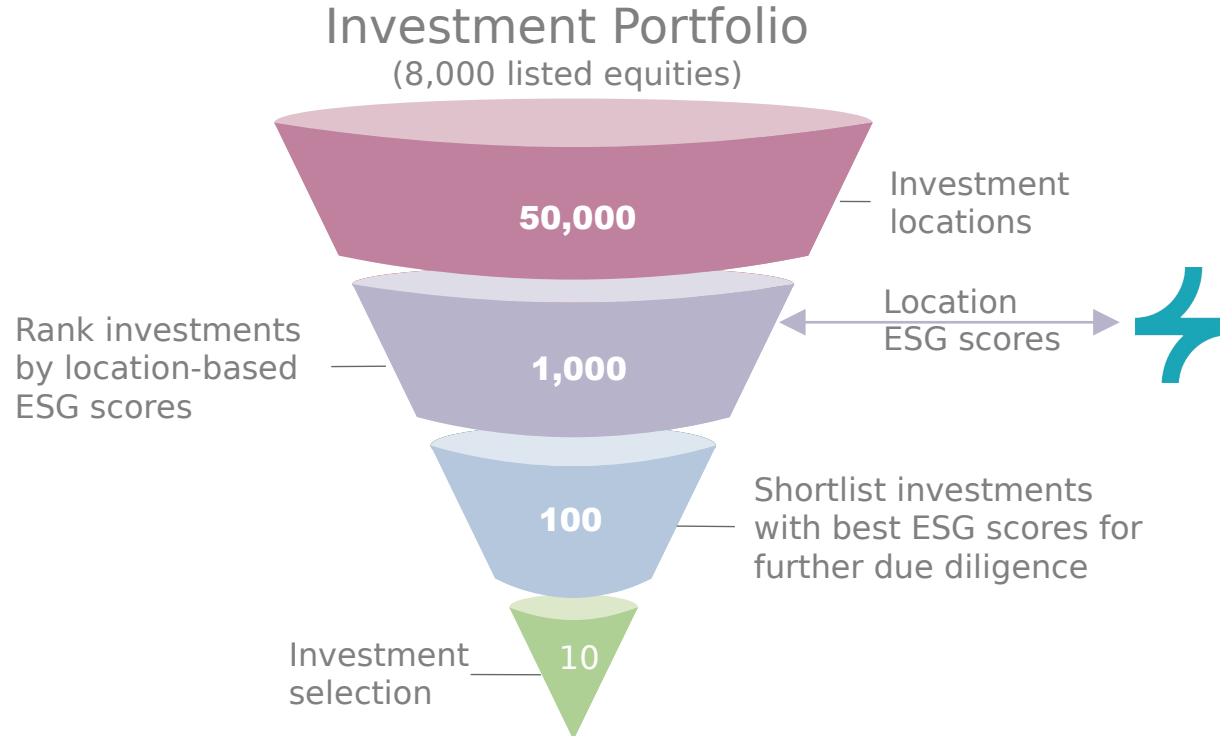

- Find new regions to invest in
- Streamline due diligence
- Monitor regional operational risks
- Assess supplier locations

Unique approach, gain new insights and perspectives

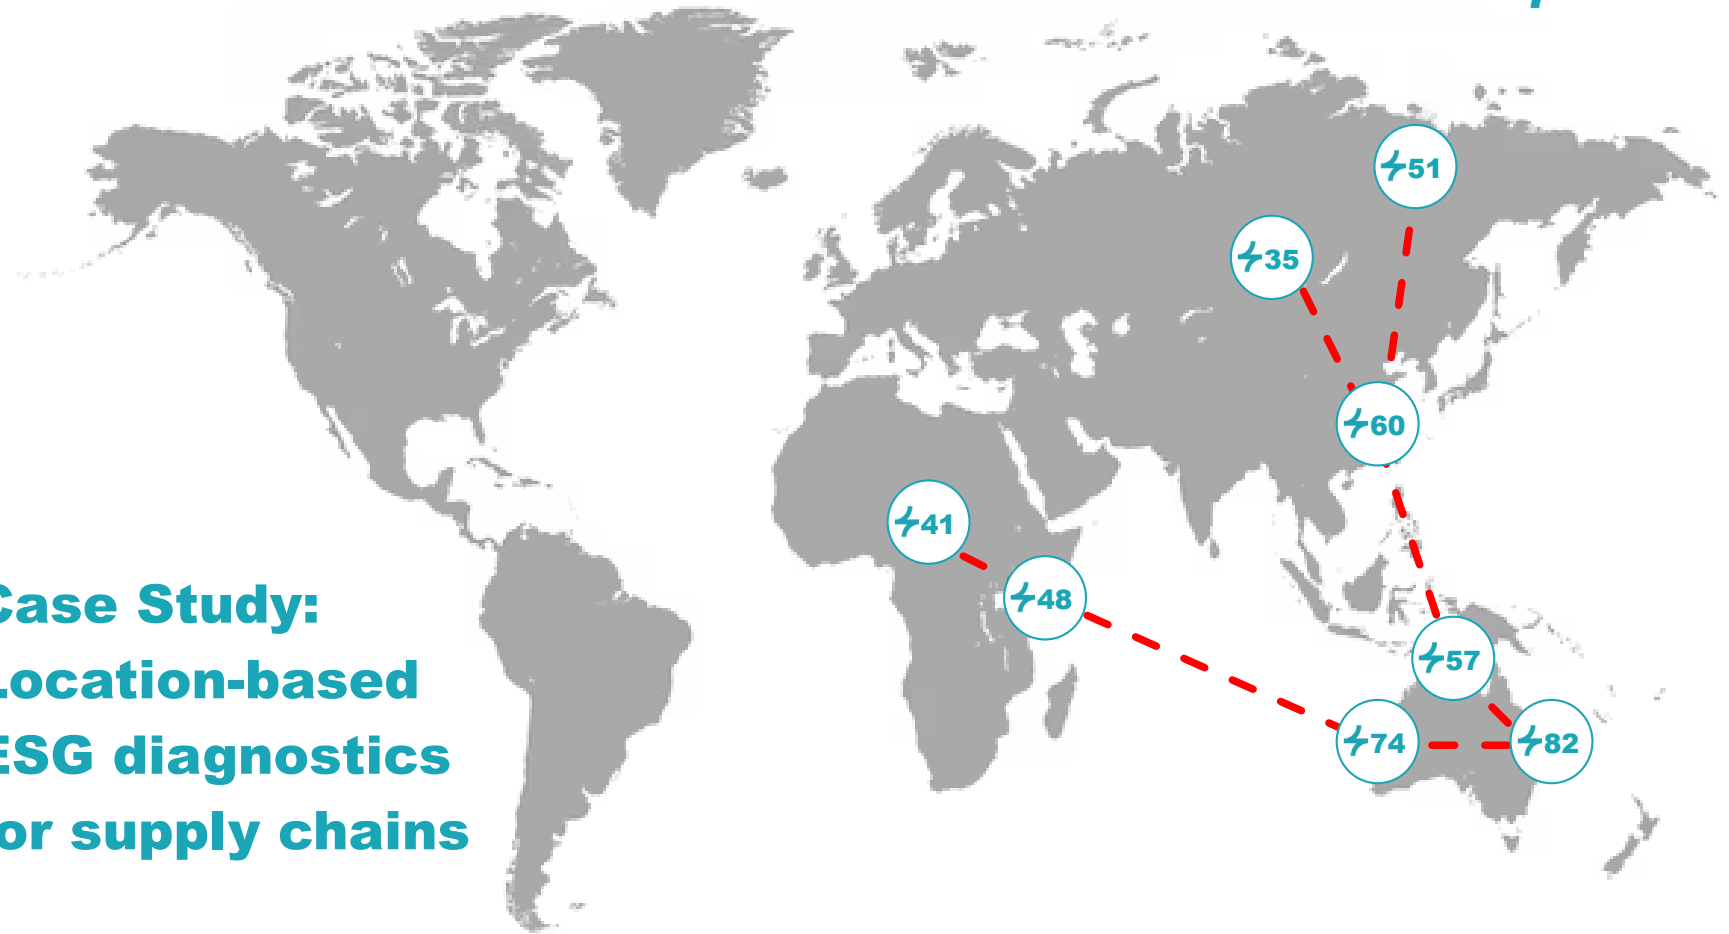

# Case Study:

## Rapid investment portfolio screening

**Case Study:  
Location-based  
ESG diagnostics  
for supply chains**
