Growing Market

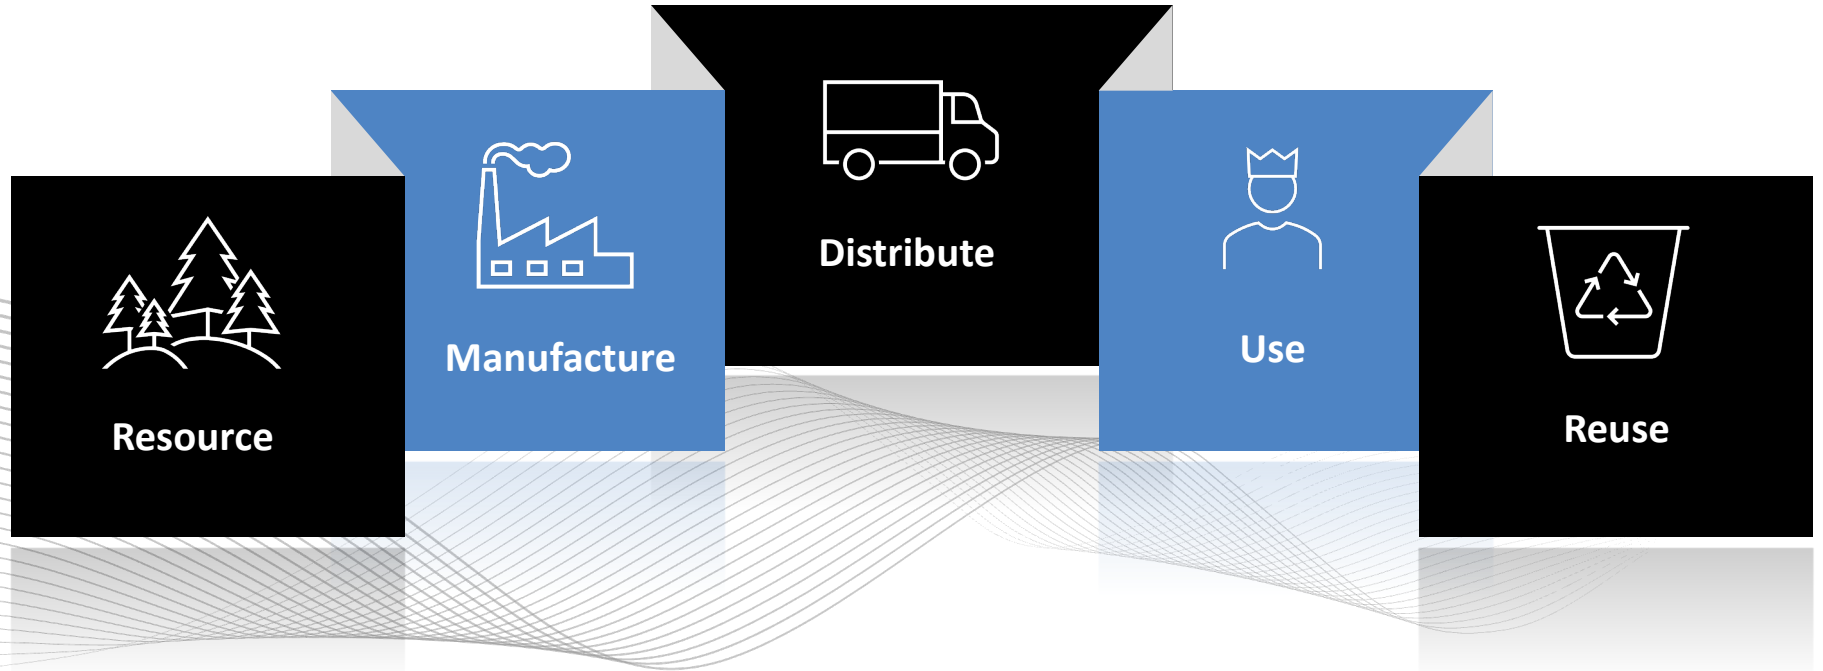

Make Sustainable Products
ESG Reporting

Product Life Cycle
Assessment

LCA gives product wise view of ESG Reporting

Product Lifecycle - Cradle to Cradle

Responsible Sourcing

Vegetation Monitoring

Landscape Change

Digital Twin - Manufacturing Plants, Products & People

Target Local Carbon Neutrality

Local Carbon emission

Non-local Carbon offset

Shortening Garbage collection Runs

Plastic Islands

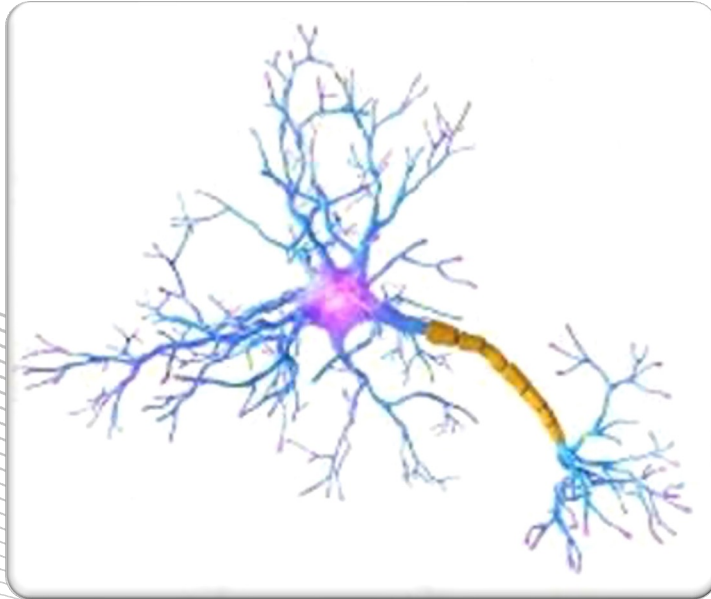

T-Shirts from Ocean Plastics

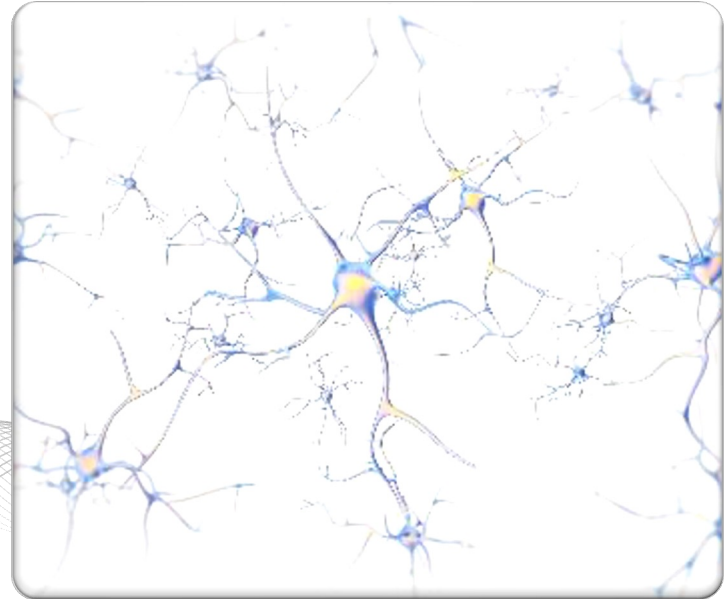

Product Impact Journey Map

Cradle to Grave

Cradle to Cradle

Geospatial technology advancing ESG adoption

Geospatial Technology | Ease of LCA | Accurate Data | ESG Reporting | Sustainable Products

Thank you
