Redefining The Way Millennials Travel
Imagine!
You travel all the way to a new country or a city
Who’s that one companion that always accompany you no matter where you go?
Yes!
Your **Smartphone**.
What if?
Your **smartphone** acts as **your personal guide** anywhere in the **world**?
Take you around the most exquisite personalized offbeat tours?
Too Ideal?
Not Anymore!
Converting your smartphone into a personalised travel guide!
Planning a perfect itinerary is too time consuming.

Location specific? Too ideal.
Adionas creates a tour
Sympathizing with your Location, Time, Budget and Personality
Hello, There!
What's on your mind today?

Select at least one of the above!

Your micro tour from Niharika Classics is ready.
Average cost for 2 is 4200

Adionas
We leverage **Geospatial Technology** and **Artificial Intelligence** to bring to you a hassle free, personalised, time and cost optimized tour!
Our Market
Tech savvy, 17-35 year old Travellers

Looking out for personalised offbeat tours

Without Definite Itineraries
Hence! We look to capitalise on Millennial Tourism
Market Size
Annually, 200,000 million millennial travellers generate $180 billion in tourism.
By 2020
320 million trips
expected by millennial travellers

Data by WTM, First Youth Travel Programme
FORBES ARTICLE
Sector recognised as

Fastest growing
And Increasingly influential market
So!
How does it work?
PHASE 1

Establish a **B2C** stream wherein you **buy the micro tour** and the system guides you.

This is done extensively in India, Indonesia and Brunei initially.
PHASE 2

We look to establish a **B2B** network leveraging our algorithms, integrating with **online booking firms**.
PHASE 3

Establishing **B2G contracts with tourism Dependent economies** by using the adionas tech to drive more travellers to the state.
