Redefining The Way **Millennials Travel**

Imagine!

adionas™

You **travel** all the
way to a new **country** or a **city**

adionas™

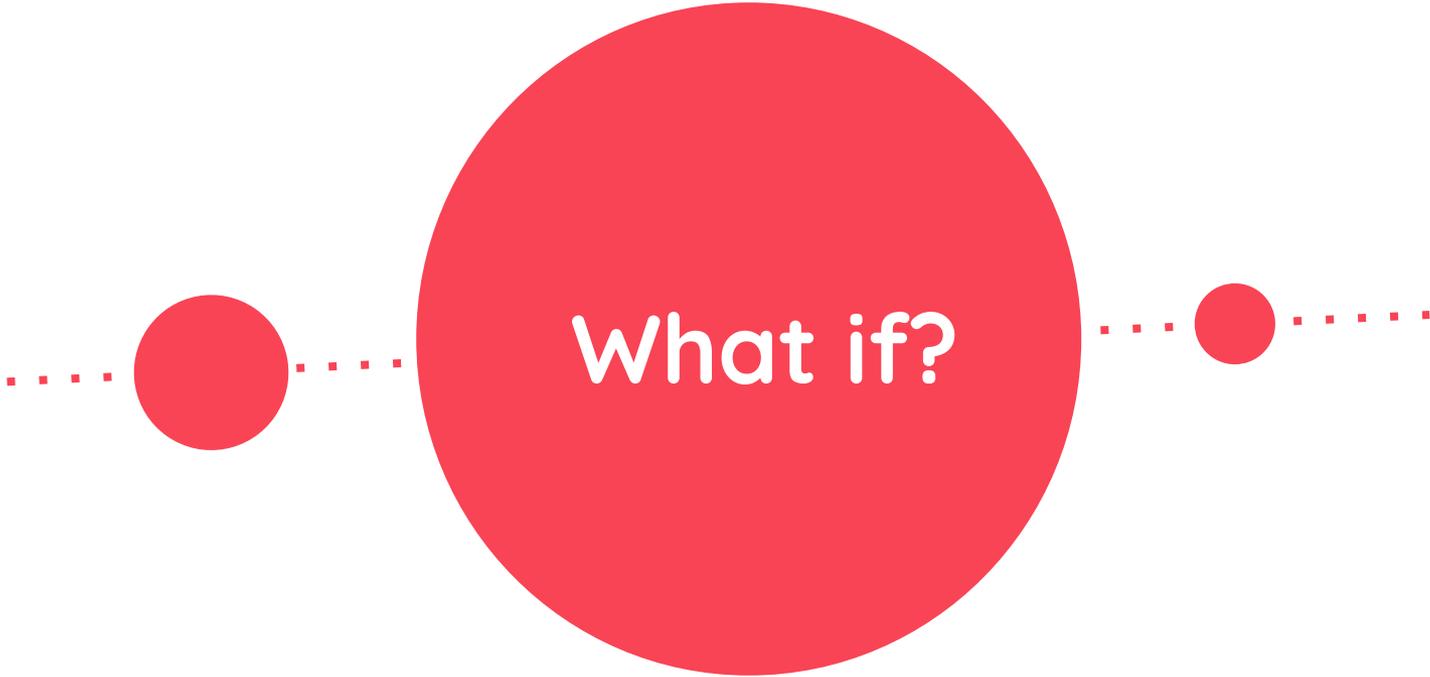

Who's that **one companion**
that **always accompany** you
no matter **where you go?**

adionas™

Yes!
Your **Smartphone.**

What if?

adionas™

adionas™

Your **smartphone** acts
as **your personal guide**
anywhere in the **world?**

adionas™

Take you around the
most exquisite **personalized**
offbeat tours?

adionas™

Too Ideal?
Not Anymore!

adionas™

Converting your **smartphone** into a
personalised travel guide!

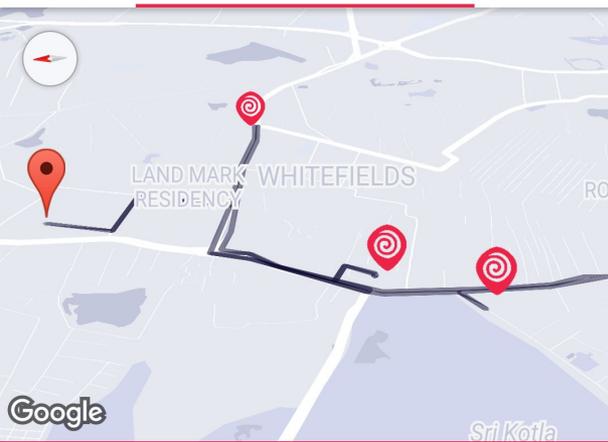

adionas™

Planning a perfect itinerary is too
Time consuming.

Cost optimum tour? Not always.
Travel **time**? Always a worry.

Location specific? Too ideal.

YOUR MICRO TOUR IS HERE

Your micro tour from Niharika Classics is ready.
Average cost for 2 is 4200

Adionas creates a tour
Sympathizing with your
Location, Time, Budget
and **Personality**

We leverage
Geospatial Technology
and
Artificial Intelligence

to bring to you a hassle free, personalised, time
and cost optimized tour!

Our Market

adionas™

Tech savvy, 17-35 year old
Travellers

Looking out for personalised
offbeat tours

Without Definite Itineraries

adionas™

Hence!

We look to capitalise on
Millennial Tourism

Market Size

adionas™

adionas™

Annually, **200,000 million** millennial travellers

Generate **\$180 billion** in tourism.

adionas™

By 2020

320 million trips

expected by millennial travellers

adionas™

Sector recognised as

Fastest growing
And Increasingly influential
market

adionas™

So!

How does it work?

adionas™

PHASE 1

Establish a **B2C** stream wherein you **buy the micro tour** and the system guides you.

This is done extensively in India, Indonesia and Brunei initially.

adionas™

PHASE 2

We look to establish a **B2B** network
Leveraging our algorithms, integrating
With **online booking firms**.

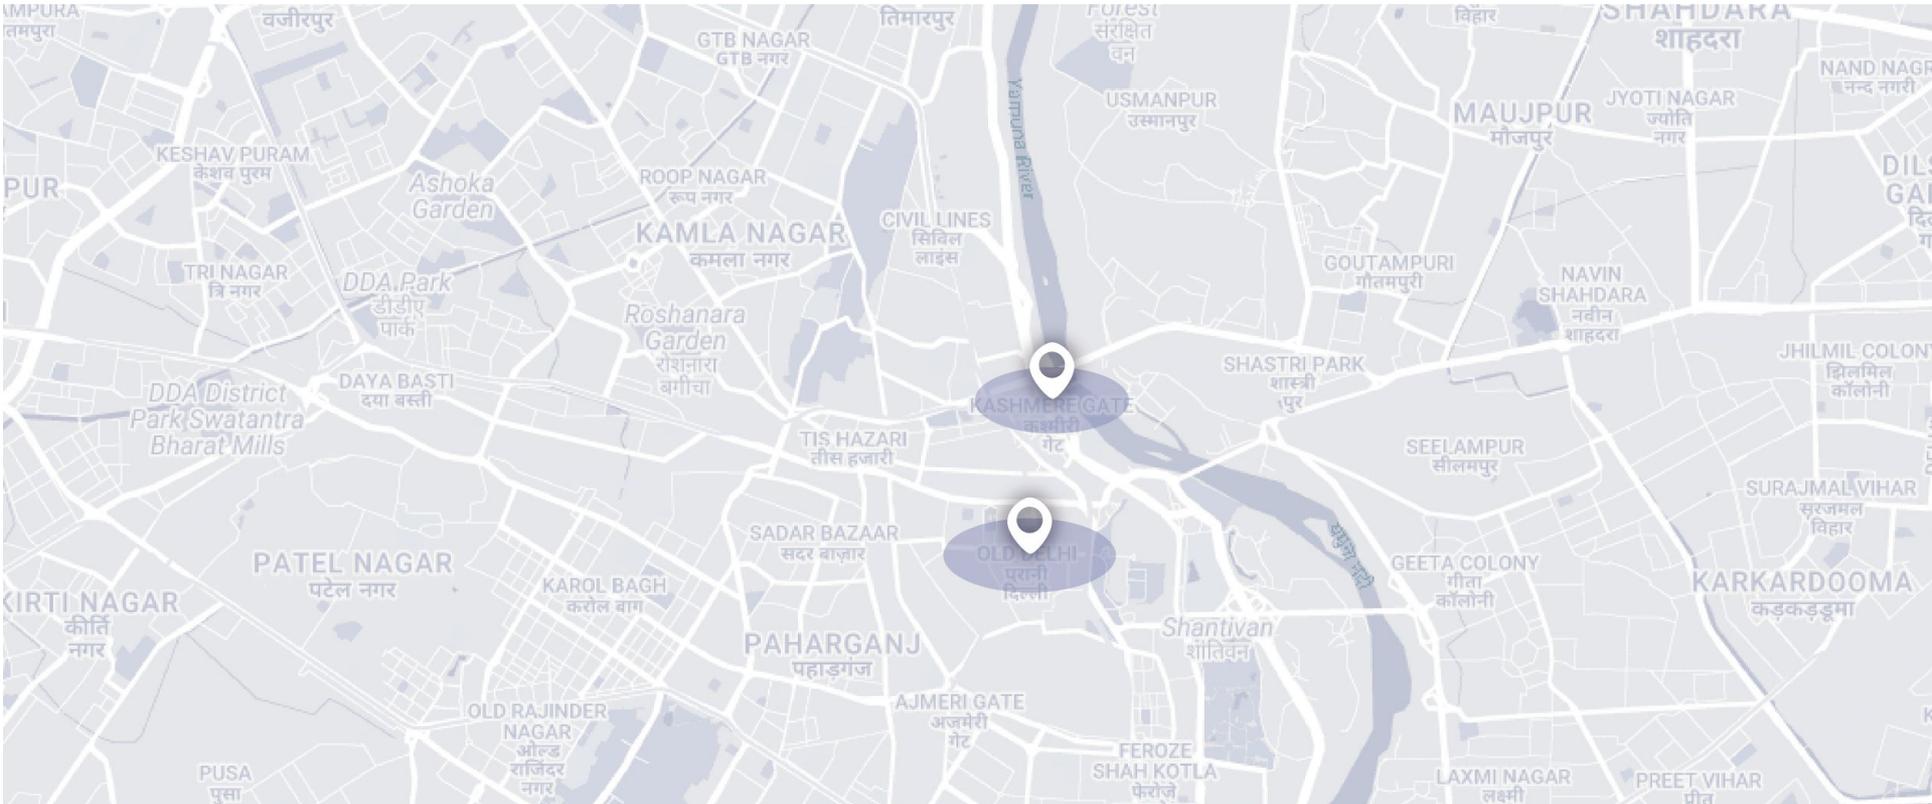

adionas™

PHASE 3

Establishing **B2G** contracts with **tourism**
Dependent economies by using the adionas tech to drive
more travellers to the state.
