Call for Collaboration

SLA awarded 3 location based services map content provision licenses

The Singapore Land Authority (SLA) is pleased to award Location Based Services (LBS) Map Content Provision Licences to 3 consortia. This is a result of a Call for Business Collaboration [CFC(B)] initiated on 17 May 02. Starvision Information Technology Pte Ltd, Wheresoft Geocommerce Pte Ltd and V3 Teletech Pte Ltd will lead the 3 consortia. A signing ceremony to award the licences will be held on 28 August 02.
