

**THE TRAFFIC**  
**AGEnT**  
- we need you to SPY!

Åsa Berge Vistad & Ingrid Elizabeth Haraldseid  
City of Oslo  
The Agency for Urban Environment

# BACKGROUND

Identify the need for traffic security measures on school routes in Oslo

Increase the numbers of children walking, biking or travelling by public transport to school

Ask the users – in this case the school children.

# AN APPLICATION?

User-oriented mapping tool

164 schools

64 000 pupils

**THE TRAFFIC  
AGENT**

# HOW IT WORKS

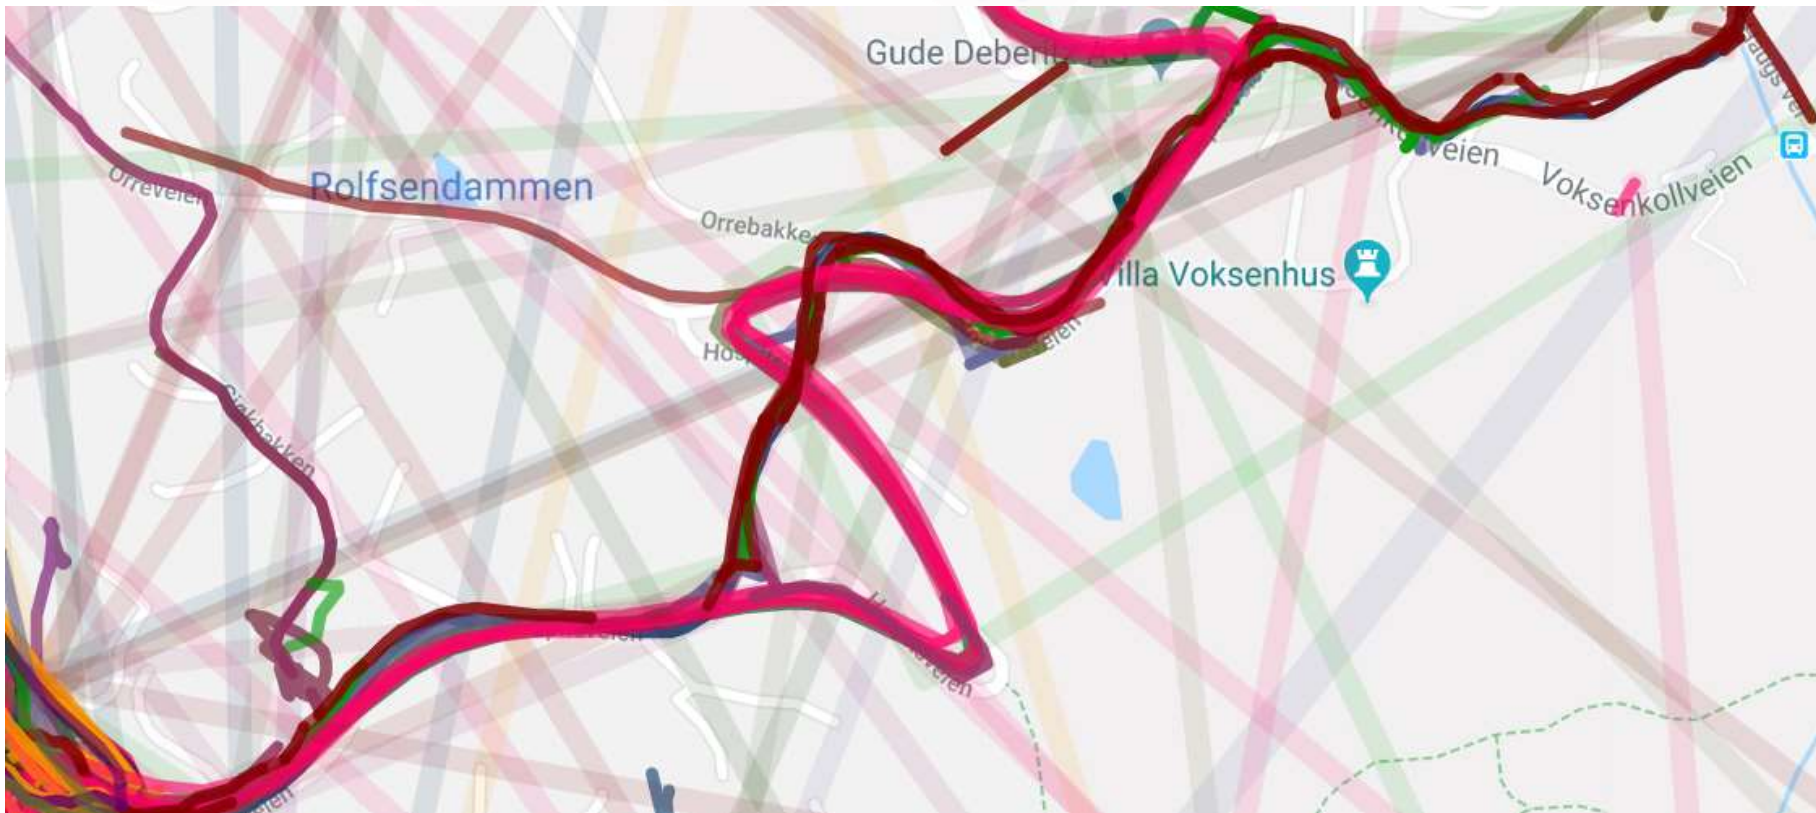

**THE TRAFFIC  
AGENT**

Citizen/user - An app

Planners - A mapping tool

# CONNECTED INFRASTRUCTURE

**THE TRAFFIC AGENT**

# BENEFITS

Children have a statutory right to have a say in public planning processes that might involve or affect them in any way

## Crowdsourcing

Allows us to map larger areas more extensively, prioritize and assess measures accordingly

Develop local communities adapted for, and in cooperation with children
